**CALL FOR
SUBMISSIONS**

OCTOBER 7-10, 2010

2010 marks the 8th year of the festival. The first seven years have played to packed houses in the historic Orpheum Theatre in downtown Flagstaff. A perfect fit with the region's sensibilities, the festival has already become a cultural institution in Flagstaff. This year's edition will still offer four full days of programming in an effort to fill the demand for great film.

Situated just one hour south of the Grand Canyon and the edge of the desert Flagstaff's high-altitude forest setting makes a spectacular base for outdoor and film enthusiasts to get together and enjoy this unique environment along with high quality film entertainment.
